PROFILE

Studied for three years at Dawson College in Professional Photography and is a graduate from Algonquin College with a certificate in Interactive Multimedia. Kristina has experienced with HTML, CSS, WordPress, jQuery, PHP and the Adobe Creative Suite.

Kristina has a strong work ethic and prides herself on being determined, organized, professional and creative. She is inspired and driven by modern influences in pop culture. Kristina is able to work well with others and can also handle independent projects. Apart from being in front of a computer screen, Kristina enjoys social networking, traveling, Starbucks coffee, cooking, and cats.

Looking for a position as a Graphic Designer, Web Designer, or UX/UI Designer.
